**Print a Certificate of Analysis Today!**

Microbiologics is happy to provide a Certificate of Analysis for our lyophilized microorganisms. This certificate documents the Macroscopic, Microscopic and Phenotypic test results obtained by Microbiologics upon release of the product.

To print one or more Certificates of Analysis, simply enter the lot number as displayed on your packaging in the field below. Separate two or more lot numbers with a comma (ex. 000000.111111, or 111-22-3). Then click "Submit". You may enter up to 40 lot numbers at a time.

If you cannot locate a specific Certificate of Analysis, please contact Customer Service at ☎ 320.253.1840 or email [info@microbiologics.com](mailto:info@microbiologics.com) for further assistance.

Enter (1 or more) Lot Numbers: (Please Note! Lab-Elite™ CRM and Epower™ CRM Certificates of Analysis (COAs) are not available to be printed at this time. They are included in each package as required by our ISO Guide 34 accreditation. If you require another copy of a Lab-Elite™ CRM or Epower™ CRM COA, please contact Customer Service at ☎ 320.253.1840 or email [info@microbiologics.com](mailto:info@microbiologics.com) for further assistance.)
