RESOURCES

The following are downloadable PDF documents to accompany our product range.

Retrieve a Certificate of Analysis

To retrieve a certificate of analysis (COA) for products manufactured by Pro-Lab Diagnostics, please enter a valid lot number below and press submit. A certificate of analysis outlines the quality control data for a particular batch of product.

Search COA Number

① 請鍵入料號直接按Enter
例如：C14500M

Pro-Lab產品COA品管單下載操作步驟

The screenshot shows the Pro-Lab website interface. At the top, there is a navigation bar with links for Home, About, Products, Resources, Distributors, Promotions, News, and Contact. Below the navigation bar, a search bar contains the text "C14500M". A purple box highlights the search results for "C14500M". To the right of the search bar, a large blue circled number "3" is followed by the text "再點選一次料號(下面小字) C14500M(藍字) 就會開始下載". Below the search bar, there are three columns of information: "Company Info", "Contact Us", and "Connect With Us". The footer of the page contains the copyright notice "© 2017 Pro Lab Diagnostics Inc. All Rights Reserved." and social media icons for Facebook, Twitter, and LinkedIn.
